A New Creation!

2 Corinthians 5:17

Many people long to live a new life as a new creation, but they get frustrated not knowing how to live such a life. Without Jesus, it is impossible for anyone to live a new life as a new creation—but it is possible through our Lord Jesus Christ who destroyed the power of sin and Satan through his death and resurrection.

Jesus came to rescue us from the greatest evil—our sin. He took our punishment of death upon himself and by his power he rose to new life so that we also may have eternal life in his name.

This is what we remember on Easter and this is why in Jesus we find the greatest hope to be a new creation. The apostle Paul personally experienced this and exclaimed, "Therefore, if anyone is in Christ, he is a new creation; the old has gone, the news has come" (2 Corinthians 5:17).

As with every friend, you can get to know Jesus more and more, so we'd like to invite you to the 2012 Easter Bible Conference, March 30–April 1 (Fri-Sun) at the UBF Church in Whitefish Bay. There will be praise and worship, group Bible studies, gospel messages, testimonies, prayer for the nations, fellowship, and much more. You'll be glad you came!

The **University Bible Fellowship** is an evangelical organization dedicated to the task of campus evangelism. Our main work is helping students to study the Bible and live according to its teachings.
